LEARNING & DEVELOPMENT PACKAGES

Help with your people stuff: training, coaching, and strategy

Many small to medium size businesses struggle to provide their people with cohesive professional development. It's hard when your HR resources are limited, or you don't have the specialist skills you need in the business. Maybe it's just that your HR/L&D team are overstretched and don't have the time to facilitate training, coach your leaders, or organise the team strategy day. That's where Tactician come in.

We've created some packages that fill this gap by outsourcing your L&D support to drive engagement, develop your leaders and get the people stuff done right.

Pick the package that's right for you:
