

Nicole Jones

Director, Strategist and Team Enabler

Fear of Ignorance

Nicole is the driving force behind Tactician's operations, keeping everything running smoothly so the team can focus on delivering impact for clients. With a talent for strategy, organisation, and people, she ensures that programs, workshops, and coaching experiences are seamless from start to finish.

Nicole's pragmatic and supportive approach makes her the team's enabler — the one who quietly ensures that bold ideas and big plans become reality.
